

22x82 mm striker - for Mediana Evolution and Centro latch only, round ends with round lip 8 mm

Description

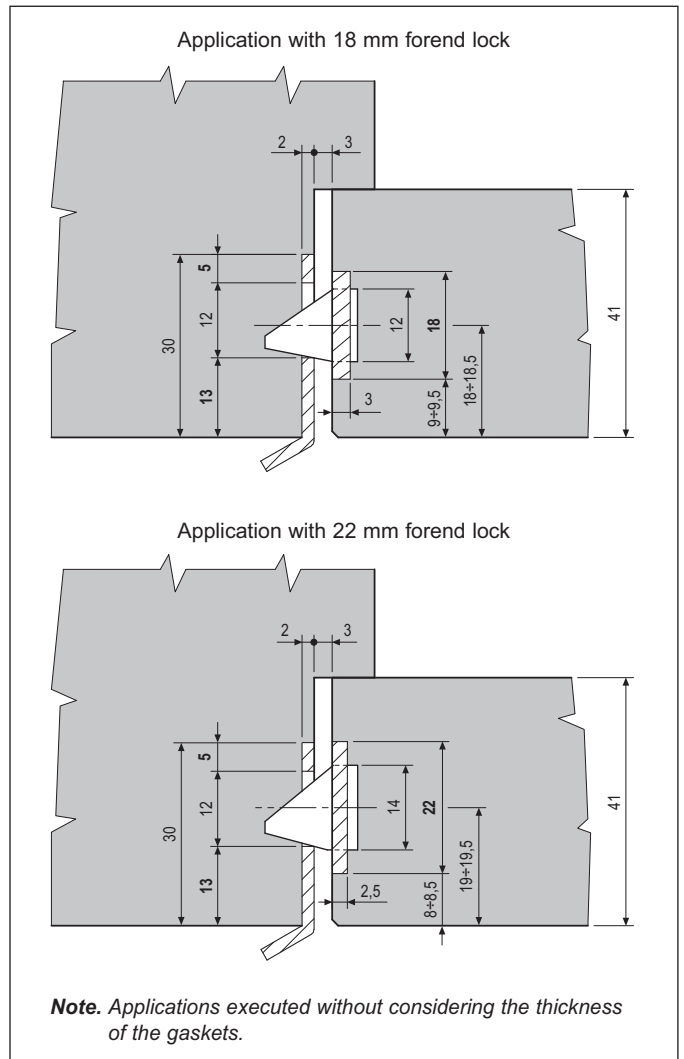

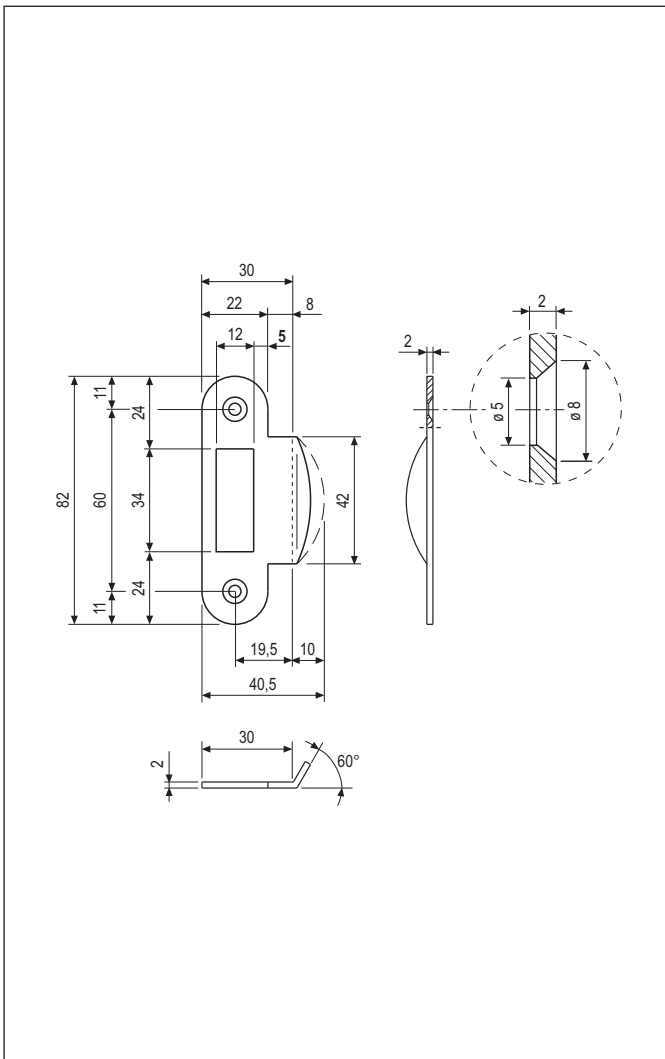

Steel or brass striker with round ends, 22 mm wide, 82 mm long. Lip with rounded edge, bent 10 mm from the side of the striker for jamb protection where the spring latch strikers. Suitable for both right and left-handed applications

Application

Used in combination with Mediana Evolution and Centro latch only, on flush doors with timber frame.

Mounting

Mill the frame according to the dimensions shown in the diagram. Install the striker with the lip bend flush with the edge of the frame. Fasten with two 4x25 mm screws.
