INTERCAMBIABILITÀ / INTERCHANGEABILITY

B-BITTER

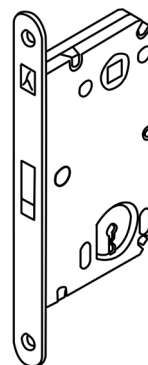

B-FORTY

B-SPLIT

B-SMART

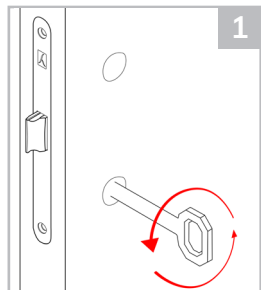

Bonaiti Serrature è in grado di offrire **soluzioni** completamente **intercambiabili** che utilizzano la medesima lavorazione su anta e telaio: due serrature magnetiche (B-FORTY e B-SMART) ed altrettante serrature meccaniche (B-BITTER e B-SPLIT), sia con frontale 190x18 mm sia 196x18 mm (in opzione con larghezza 22 mm).

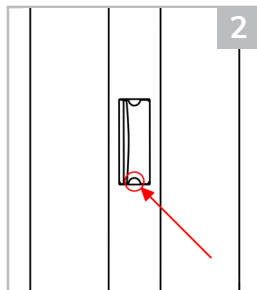

Bonaiti Serrature can offer a full range of completely **interchangeable solutions**: two magnetic locks (B-FORTY and B-SMART) and two mechanical locks (B-BITTER and B-SPLIT), all with front plate 190x18 mm or 196x18 mm (with 22 mm width as option); designed with the same dimensions, all these models are fitted for the same standard milling of the shutter and frame.
