

DOOR HARDWARE COLLECTIONS

TREASURE

MESTRE®

LUXURY SINCE 1952

TREASURE

by Mestre

IT'S SAID THAT TIME ... IS GOLD

In our case time is much more than that. Details, dedication, exclusivity and the doorway to handcraft. To handmade art. Piece by piece. Since 1952, time has taught us if you treat it unhurriedly, like we do since more than sixty years ago, results are brilliant like gold itself.

Gold used by the most exclusive door hardware collection TREASURE by Mestre, made of bronze and Swarovski crystal.

TREASURE

by Mestre

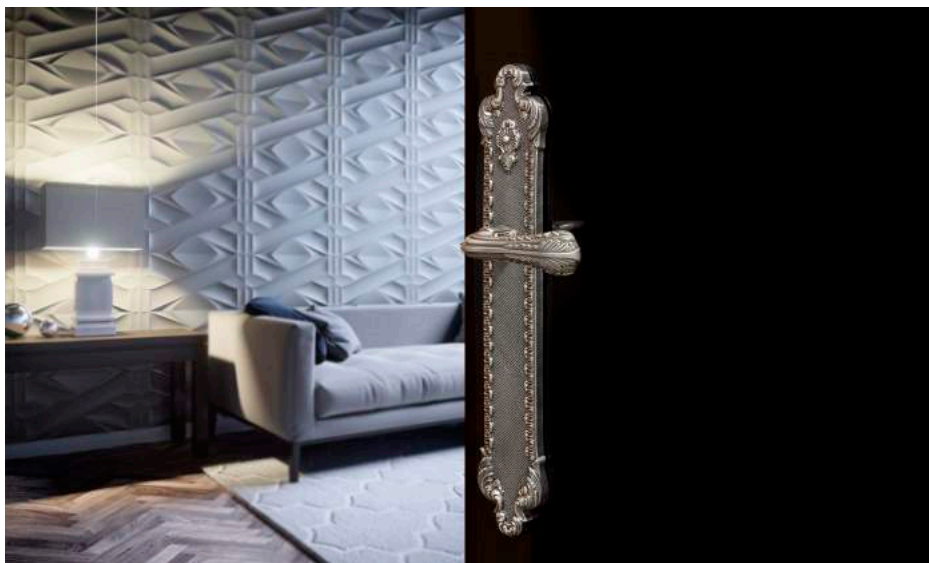

Details which make the difference between good products and a real treasure...

Door handle series

on plate with handcraft elaborate details

DOOR HARDWARE CATALOGUE CLARIFICATIONS

Dear Customer,

Thank you for your interest in our products. In this catalogue we offer a wide range of our collections. As set out below, we list in detail the basic codification rules used in this catalogue to make it as easy as possible for you to place your orders.

All codes have a number and/or letter sequence which provides you information about the collection, type of product, item number, variations and finishes. The codes that appear in this catalogue match with the item shown at the picture. You should replace the asterisks by the selected finish code from our door hardware finishes you can find below. Please look at our price list to see the standard finishes we offer for each product.

We hope this catalogue to be of your interest and enjoyment.

Best regards,

BRONCES MESTRE S.A.

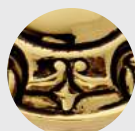

*IMPORTANT NOTICE

All products are sold in pair, except those that indicate beside the code "individual sale".
